## TO ALL NEWCOMERS & PROFESSIONAL DRIVERS:

### INFORMATION

We, E & S Kraftfahrer -GmbH from Kassel are looking for alternate bridge drivers.

- You have passed your driving test: get your license category CE?
- You currently have no job and don't know what to do ?
- You can't find work because you couldn't collect additional experience as a driver after your training?

Then we want you!  
Of course you should have some conditions to comply.

### CONDITION / YOUR PROFILE

- You possess a valid driver's license CE and you are ready to drive at night for us ?
  - You are willing to learn and you are reliable.
  - Also you are collegially and have a friendly encounter?
  - You are careful handling with vehicles?
- Then you are RIGHT in our operation here!**

### OUR OFFER FOR DRIVER'S

- We give you the possibility to complete a swap driver training.
- Good wages and social benefits are our prerequisite.
- You get night surcharge.
- The costs for the ADR - certificate could fall on us.
- We have a modern, well-maintained and extensive fleet.
- Driving and rest periods are strictly and consistently to comply in our business.
- Our working atmosphere are very good and when you need us then we are always there for you.

If we arouse your interest, please apply yourself using the information above.

**We look forward to see and work with YOU !!!**
